

## DISCLAIMER

RR HOLDINGS LLC (d/b/a Reliable Racing) ("RR") now offers the ACHILLES ALPINE CUT-RESISTANT BASE LAYERS CLOTHING (the "Products") to limit the occurrences and severity of preventable injuries.

The Products utilize a combination of fabrics which provide impact cut resistance under certain conditions. However, because of the various conditions and circumstances in which contact between the body and cutting surfaces may occur, RR make no representations, guarantees or warranties of safety to the user in connection with the Products or their effectiveness in preventing serious lacerations or other injuries. The Products are to be used at the users' own risk. The user assumes all risk of loss, injury or damage to persons or property arising from the use of the Products. RR's liability for negligence or willful action and any injury, death, or damage to property that may arise shall be limited to a refund of the amount paid for the Products.

Skiing has inherent risk and use of the Products provides no assurance that injuries from lacerations can be avoided or their severity even mitigated. The Products provide greater degrees of cut resistance in areas of the body where risk is greatest, and the Products are not designed to protect all parts of the body from lacerations or to provide protection from other forms of impact trauma.

RR expressly advises user to inspect and discard the Products if they indicate wear patterns or damage or have suffered repeated impacts. Users should carefully follow the washing, fitting and storage instructions, as these matters may significantly limit the life of the Products and the degree of their effectiveness.
